E. No. 89/08

His Excellency Robert D. McCallum, Jr.  
Ambassador of the United States of America to Australia  
The American Embassy  
Moonah Place  
Yarralumla, ACT 2600

Your Excellency:

We write to you as Primate of the Serbian Orthodox Church in Australia.

It has come to our attention that a certain gentleman, a resident of Australia, Milorad Trkulja, maintains a website in which he displays the CIA logo. On the pages of that website, he also fallaciously maintains that we, together with several of our priests and other individuals are CIA agents. He has had a long history of attacking the Church, especially its hierarchy and clergy, often coupled with endless lawsuits.

The links are as follows:

Such malicious claims can only be damaging to our Church and of course, to The United States of America. Personally, as a dutiful citizen of the United States, we know that our country has had a long history of assisting the Serbian Orthodox Church in times of need, especially in our working together to overcome the Milosevic regime.

Kindly advise us of the outcome of any action you may wish to take against the said Milorad Trkulja, and if we may be of assistance in the process.

In the enclosed, please find a letter of recommendation from His Excellency Roderick W. Moore, presently Ambassador of the United States of America to Montenegro, as well as an advertisement placed by said Trkulja in *New Croatia* newspapers containing his contact information.

Sincerely yours,

+IRINEJ  
Bishop of Australia and New Zealand  
The Serbian Orthodox Church
